

PORTON COURT RESIDENTS COMPANY LIMITED

Porton Court, Portsmouth Road, Surbiton, Surrey. KT6 4HY

A very well executed Burglary

One of our residents has recently been burgled. There was no sign of forced entry, no keys were missing, and there was no disturbance to the visible contents of the flat. Consequently the loss was only discovered what is thought to be about a week after the event.

The main item taken was a large black rectangular case of camera equipment (cabin baggage size) which could be worn as a backpack.

If anyone recalls seeing someone leaving Surbiton Block with such an item please contact the police on 0208 721 2044 or one of the Directors.

Please check your valuables in case there have been any other victims, and don't let strangers through the front door!
